

## Remote Playback on Guarding Expert Mobile

1. Click  and select Remote Playback to enter the Remote Playback interface.
2. Click  to display the added device list. (Optional) You can also click  icon, set the start time and end time and select one camera for playback.
3. Set the start time and end time in the **From** and **To** field to define the search condition.
4. Select a device node and click to list all the cameras under it.
5. Check  checkbox in the device item to select all the cameras under it, or check  checkbox in the camera item to select the specific camera as desired.

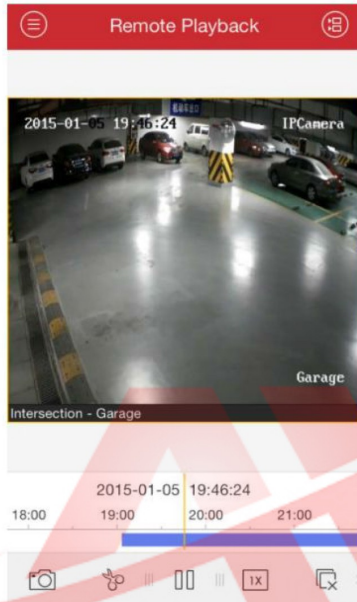

**Notes:** You can slide the camera list downwards to refresh the device status.  
Only the cameras with record during that period can be played back successfully.  
Up to 4 cameras can be selected for remote playback at the same time.

6. Click Start Playback to start playback.

7. You can slide the timeline bar to adjust the playback time.

**Stop Playback:**

You can click to stop the playback. Or you can perform the following steps to stop the playback.

1. Click and hold the playback window.
2. Drag the window upwards, and the  shows on the top of the window.
3. Drag the window to the  until it changes to  and then release the window.
